50X1-HUM

	Traiskirchen (0 h9/X 37) was still occupied by troops who were red-bordered black epaulets. Officers observed there within an hour and a half included 1 colonel, 3 lieutenant colonels and 23 others, all with red-bordered black epaulets and some with artillery insignia. Trucks parked in the garages
	red-bordered black epaulots, were observed in the barracks traffic. About 40 soldiers, wearing red-bordered black epaulets, some receiving mortar training, were seen at the drill ground. No changes were observed at the large radio
F.	Tribuswinkel Castle (0 49/X 36) was apparently unoccupied. Truck occupied by 15 soldiers wearing black-bordered black epaulets, was seen ontering the installation. 50X1-HUM
7	absent from Vienne on 10 September, although the 14th Gds Mecz Regt of the 13th Gds Mecz Div had still been in the barracks in mid-August. This would account for the light occupation of the garage on gasse.
	50X1-HUM
	Comment. Probably elements of the 722d Motor Trans Bn of the 13th Gds Mecz Div were located in this building. The bulk of the battalion is believed to be quartered in the Wilhelm Maserne and the Albrecht Maserne on Engert
